Meals

Camping: Enjoy nutritious and well balanced meals prepared from the finest fresh and dry ingredients. Snacks are always available. Native Canadian bannock will be prepared.

Restaurants: To help explore the different cultures in Canada, Arabian, Korean, Mexican, Greek, Italian, Japanese, American BBQ or landmark Canadian restaurants will be enjoyed. We never go to American fast food restaurants.

ESL Games

Charades, Pictionary, 20 Questions

Team Building Exercises

Scavenger hunt, Food Chain, adventure race

Safety

Life jackets while canoeing, swimming with a buddy and helmets while horseback riding are required. Guide has 20 years experience and wilderness first aid training.

Camp Craft

Fire: Learn the basics of campfire management including matchless starts.

Shelter: Explore techniques for wilderness shelter construction.

Food: Study about edible resources and survival skills in Mother Nature's kitchen.

Canoe Camping

25km circuit of lakes, streams and portage (1800m). Students share tents and get a personal sleeping bag and soft sleeping pad.
